WHAT IS THE CLASS ACTION ABOUT?

The plaintiff alleges that some of the tickets sold via www.ticketmaster.ca were charged at a higher price than advertised at the first step of the sales process, and that fees associated with the purchase were disclosed later in the purchase process. The courts have made no determination of the merits of those allegations.

WHO IS INCLUDED IN THE SETTLEMENT CLASS?

- a mobile phone or other mobile device via either www.ticketmaster.ca or one of the Ticketmaster mobile applications, between June 23, 2013 and May 24, 2017, or
- with respect to certain Quebec Venues, the www.ticketmaster.ca website with the use of a desktop computer or standard internet browser, between September 30, 2015 and May 24, 2017.

IS THE SETTLEMENT IN PLACE NOW?

WHEN IS THE APPROVAL HEARING?

WHAT ARE THE SETTLEMENT BENEFITS?

The settlement provides for each class member to be issued a credit of six dollars (\$6.00) regardless of the number of tickets purchased. The credit must be used within twelve (12) months of the date of issuance. The settlement also recognizes changes to the ticket sales process of Ticketmaster in the Province of Quebec.
